 What's to Love: Airing last November, Pat McHale's *Over the Garden Wall* was Cartoon Network's first-ever original animated miniseries. We loved the eerily sweet story of two half-brothers trying to find their way home so much we published a companion one-shot that was quickly snapped up by folks who just wanted more of this world to experience. Now, we're expanding the world of *Over the Garden Wall* with McHale and returning artist Jim Campbell with a full-length story. What It Is: A new *Over the Garden Wall* story set between episodes 3 and 4 of the animated series! Wirt and Greg are trying to hitch a ride out of schooltown but end up having to walk. Soon, they come upon two girls playing, and wind up having to keep them entertained so that they don't wake their giant father! Patrick 'Pat' McHale is a writer, storyboard artist, animator, and independent filmmaker, best known for being a former writer and creative director on the animated series *Adventure Time* for Cartoon Network, which he contributed to during its first five seasons. McHale also created the mini-series *Over the Garden Wall*. Get help and learn more about the design. Media Platforms Design Team This summer brings a crop of five new coffee-table books for those who love to garden. Based on an Emmy Award-winning Cartoon Network miniseries, Wirt and Greg are brothers, lost in a strange and endless wood called the Unknown. But as things become stranger and stranger, can they find their way out... alive? Written by the show creator Pat McHale (ADVENTURE TIME) and illustrated by show storyboarder Jim Campbell, *OVER THE GARDEN WALL* features tales that fill in the blanks of the critically acclaimed miniseries, making it an essential companion for your own journey into the Unknown! Luckily, they stumble upon a quaint little town full of theaters and stages but no players or musicians, leaving it mercifully quiet... but maybe a little too quiet. When a charming young woman offers Greg and Wirt the roles of a lifetime in the play at her family theater, as well as a place to stay, they decide to audition for the production and test out their acting chops. But who exactly are the three stage sisters running the show and where is everyone else in the town? This five-issue limited series was published on August 2019 by Boom! Studios, written by Birdie Willis and illustrated by Rowan MacColl. Trivia When Beatrice tells Greg that Adelaide is an old lady, Greg replies "does that mean I have to call her young man", which references chapter 9, where old lady Daniels doesn't want to be called "old lady".
